

Western Mining & Railroad Museum Request for Research

Please make your request as specific as possible. Try to include as much background information as you can. For example, to effectively search through the newspapers for a notice of an event, we must have both the place and the date of the event. The Western Mining & Railroad Museum cannot guarantee that we will find what you are looking for, however, we will provide you with a report documenting our search and if possible, suggest alternative sources of information.
